Attention Guild Artists!
Be thinking About~

“The Nature of Things”

The next Kasson Public Library art show is celebrating the natural beauty of the seasons, Fall & Winter. We're staying away from traditional holiday themes and focusing on nature. Whether it's a bird perched on a snow covered branch or a country road lined with brilliant autumn leaves ~ it's all about nature!

Artwork is needed by October 31st and should be placed in the Guild office. Be sure that all pieces are wired properly and accompanied with title block tags.
